Sir,

In forwarding herewith copy
of a resolution of the Hassan Town
Municipal Board passed in the
meeting held on the 2nd ultimo,
in the matter of increasing the
conservancy establishment, I have
the honor to state in view of the
better sanitation of the town and
of warding off the recrudescence
of plague several cess pits were
filled

filled up and the daily Conservancy System to remove night soil was introduced. But considering that there are 1463 houses with a population of 8242, the present conservancy establishment was found inadequate to cope with the requirements. Hence it was resolved to increase the said establishment by four scavengers.

2 — Under these circumstances I beg to request that you will be so good as to obtain the sanction of Government for the provision made in the ensuing year's budget for the increased establishment.

I have the honor to be

Sir

Your most obedient servant

K. Maundy

President of Municipalities

Hassan District

Yours

it is desirable to increase the number

so as to ensure the daily conservancy  
system recently introduced.

Resolution : - Resolved after  
some discussion that the proposal  
be carried out and that Govern-  
ment be addressed accordingly
